| Name   | Null? | Type         |
|--------|-------|--------------|
| ID     |       | VARCHAR2(10) |
| NAME   |       | VARCHAR2(20) |
| MOBNO  |       | NUMBER(10)   |
| DOJ    |       | DATE         |
| SALARY |       | NUMBER(5)    |

```
SQL> select * from vb1;
```

| ID  | NAME           | MOBNO      | DOJ       | SALARY |
|-----|----------------|------------|-----------|--------|
| 130 | vidhyabharathi | 9363869518 | 05-JUN-08 | 70000  |

```
SQL> alter table vb1 add(place varchar(20));
```

Table altered.

```
SQL> update vb1 set place='dharapuram' where id='130';
```

```
1 row updated.
```

```
SQL> select * from vb1;
```

| ID         | NAME           | MOBNO      | DOJ       | SALARY |
